## Additional Information

### Health, Character, and Technical Standards

Technical standards provide guidance as to skills and abilities required to function successfully in this program and profession. Students must demonstrate:

- The ability to act in a professional manner on field trips or at internship locations
- Sufficient vision, hearing, and verbal abilities to express, interpret, and exchange information and ideas
- The ability to work with frequent interruptions, respond appropriately to unexpected situations, and cope with variations in workload and stress levels

Although not a technical standard for entry, some positions require the physical ability to stand for long periods and lift up to 70 pounds.
