

Behavioral Intervention Team

The Behavioral Intervention Team (BIT) is a central network focused on preventive and timely intervention before a crisis arises. BIT is a resource for faculty, staff, and students by which they can report behaviors that may evoke alarm or concern. The BIT process does not replace faculty classroom management, disciplinary processes, and/or public safety responses to incidents. Students with questions about BIT or the need to report a concern can contact a BIT team members or submit an incident report. Those who need immediate assistance with a threat or concern should contact Campus Safety at 603-224-3287.
