

NHTI Lynx Pantry and Closet

The NHTI Lynx Pantry and Lynx Closet are on-campus resources aimed to help our students with free food and professional clothing options to promote academic and career success.

The Lynx Pantry is an on-campus food pantry that offers all members of our campus community access to food for free. We offer non-perishable, shelf-stable food, personal care items and perishable (fruits, vegetables, bread, refrigerated, and frozen) food options.

The Lynx Closet is a donation-based clothing supply resource that provides members of our campus community professional clothing options including, suits, dresses, shoes, and accessories to help with job interviews and career options.

For additional information, visit the [Lynx Pantry and Lynx Closet online here](#).
