

# Individual Course Enrollment

Students may wish to register for individual courses without applying to degree or certificate programs. Most general education and some program-specific courses are open to all, assuming course prerequisites are met and space is available after matriculated students have registered.

Non-matriculated students must meet the same course prerequisites, complete the same course requirements, and follow the same college and course rules, policies, and procedures as other students. Individuals who are considering registering as non-matriculated students are directed to consult with an academic advisor at NHTI prior to enrolling. The academic advisor will assist in evaluating readiness for specific course(s). In some cases, the advisor may recommend that the individual work with the Academic Center for Excellence to take one or more NHTI assessment tests in reading, writing, and/or mathematics. The advisor may also recommend that the individual consult with the department chair responsible for the course, especially in situations involving the evaluation of relevant work experience.

Non-matriculated students are not eligible to apply for financial aid. To be considered for admission to an academic program, contact the Admissions Office at 603-230-4011 or [NHTIadmissions@ccsnh.edu](mailto:NHTIadmissions@ccsnh.edu).
