

Program Residency Requirements

To be eligible to receive an NHTI associate degree, a student must satisfactorily complete a minimum of 15 credits of course work in NHTI-controlled courses with at least half of these credits numbered at the 200 level in the student's major. To be eligible to receive an NHTI professional certificate, 9 credits or 25% of the required program credits, whichever is larger, must be taken in NHTI-controlled courses. To be eligible to receive an NHTI certificate, 6 credits or 25% of the required program credits, whichever is larger, must be taken in NHTI controlled courses. Exceptions to this policy require approval of the VPAWE and Academic Standards Committee.
