

Residence Life

NHTI offers on-campus housing to students in 3 residence halls. Housing is available to registered and eligible NHTI students. Students must be enrolled for a minimum of 9 credit hours to live on campus. Full-time professional staff members, along with student leaders (resident assistants) support students living on campus and provide opportunities for engagement within the residence halls. Residence Life provides students with:

- **Experience:** Living on campus makes it easier for students to get involved in projects/clubs that influence the community. Students develop new leadership experiences, share ideas, and achieve outcomes that bolster resumes.
- **Supportive relationships:** Social and academic support fuse together in student housing. Students have ongoing access to study partners and informal peer tutors.
- **Amenities:** Our residence halls are equipped with TV lounges, vending machines, laundry facilities, and game spaces where residents can play pool, ping pong, or video games.
- **Diversity:** Our housing hosts a dynamic segment of the campus population. Students live with people from all over the country and overseas, building relationships with students of various cultures, ethnic traditions, and gender identities.
- **Convenience:** Living in student housing enables students to focus on what's really important: the future.

12-Month Housing

We offer students the option of living on campus year-round! South Hall offers a large, open kitchen space that allows residents to cook their own meals during academic breaks when dining services are limited. Students who need to remain on campus during breaks should request 12-month housing when they apply, as only students who select this option will be guaranteed to stay.

Mixed-Gender Community

Students may request to live in a mixed-gender community and will only be placed in this community if they specifically request it. Space is limited.
