

# VRTS 130C : Introduction to Photography

Familiarizes students with basic film photography and beginner darkroom techniques. Students are instructed in the use and care of a 35mm manual film camera, film developing and darkroom printing techniques. Assignments are designed to cover a variety of shooting situations and the expectation is that students will apply the elements of composition, capture expressive content, and demonstrate proficient technical ability in the making of photographs. Students should expect to provide their own 35mm film camera with full manual controls. A \$20 fee will be assessed for all students in this course to cover the cost and disposal of chemicals used in this class.
