

Landscape Design

Degree Type

Certificate

This program is not currently accepting new students.

NHTI's Landscape Design certificate program provides you with entry-level skills to pursue a career in the landscape industry or continue your education in landscape maintenance, design or construction, grounds management, and horticulture. This program is available evenings only and is financial aid-eligible.

Do you have questions? Contact Liaquat Khan, department chair, at lkhan@ccsnh.edu or 603-271-6484 x4221.
