Management

Degree Type
Certificate

NHTI's Management certificate program prepares you for the day-to-day challenges in the dynamic field of business. The program offers a broad background for those seeking careers in many areas of business; all courses are directly applicable to the NHTI's associate of science degree programs. This program is financial aid-eligible.

The program is accredited by the Accreditation Council for Business Schools and Programs.

This program can be completed entirely online!

Do you have questions? Contact Aaron Conn, department chair, at aconn@ccsnh.edu or 603-271-6484 x4143.

Career Information

Employment growth is expected to be driven by the formation of new organizations and expansion of existing ones, which should require more workers to manage these operations. Career titles include:

- Customer service representative
- Loan officer
- Sales representative
- Business analyst
- Human resource assistant
- Marketing assistant office manager
- Retail manager
